SUMMARY

Data-driven Product Marketing & Growth professional with 5+ years of experience driving Go-to-Market (GTM) strategy, feature adoption, user acquisition, and lifecycle optimization across OTA, FMCG, and digital products. Experienced in partnering with cross-functional teams—including Product, Engineering, BI, CRM, and Design—to transform customer insights into measurable business growth through data-driven experimentation and automated retention strategies.

EDUCATION

Sheikh Bahaei University, Iran

B.Sc. in Computer Engineering

2014–2018

EXPERIENCE

Product Marketing Manager (Growth Team)

June 2024 – Present

MrBilit (OTA)

Tehran / Isfahan, Iran

- **Product Positioning & Feature Adoption (Hotel Vertical):** Owned product marketing initiatives for the Hotel vertical, defining product positioning, feature adoption, and lifecycle strategies that increased offline hotel booking share from 18.26% to 30.66% (+67%).
- **Revenue & Conversion Optimization:** Designed lifecycle marketing initiatives and conversion optimization experiments that increased 28-day moving-average bookings by 60%, revenue by 207%, and booking flow conversion by 27%.
- **Funnel Analysis & Experimentation:** Diagnosed and recovered a 50% revenue decline through fishbone analysis, behavioral analytics, funnel analysis, and structured A/B testing.
- **Product Analytics & KPI Framework:** Built the Journey Analytics and Marketing Automation measurement framework, defining and implementing 50+ KPIs across Bus and Flight verticals.
- **Lifecycle Marketing & Behavioral Segmentation:** Led lifecycle automation and behavioral segmentation using WebEngage, reducing MAU duplication by 20% and improving Business Event Tracking accuracy from 60% to 99%.
- **Market Research & Competitive Analysis:** Conducted market research and competitive benchmarking to identify positioning opportunities for the upcoming Tour vertical.

Business Developer (Business & Strategy Team)

March 2023 – May 2024

MrBilit (OTA)

Tehran / Isfahan, Iran

- **Strategic Growth:** Identified and executed business expansion opportunities to accelerate B2C acquisition and market penetration.
- **Business Intelligence & KPI Design:** Designed executive dashboards tracking 50+ business KPIs using the RMA framework, aligning business objectives with product performance.
- **Customer Experience Strategy:** Implemented Net Promoter Score (NPS) as a North Star Metric, improving cross-functional alignment and increasing user satisfaction by 30%.

Marketing Manager

Jan 2022 – Mar 2023

Salva (FMCG)

Tehran / Isfahan, Iran

- Achieved 5× revenue growth in the Tehran hub and 1.5× growth in the Isfahan hub through localized growth marketing strategies.
- Built, mentored, and led a high-performing marketing team across creative and analytical functions.
- Designed and executed RFM-based retention and re-engagement campaigns, increasing customer retention by 25%.
- Managed geo-targeted marketing campaigns, continuous optimization, and performance measurement.

Marketing & Growth Manager

Feb 2019 – Mar 2022

Hamkare & FitterFix

Isfahan, Iran

- Hamkare (E-commerce): Led platform rebranding and Go-to-Market strategy, increasing daily reservations from 1 to 10.
- Hamkare (E-commerce): Managed localized acquisition campaigns, channel optimization, and regional growth initiatives.
- FitterFix (VOD): Led SEO strategy and organic acquisition, scaling the platform to 3,500+ daily organic visits.
- FitterFix (VOD): Managed affiliate marketing partnerships and paid acquisition channels, generating \$50K+ monthly revenue.
